

DR. W. J. KLINCK FOUNDATION ANNUAL CAMPAIGN

Sherbrooke, October 23, 2018 – The Dr. W. J. Klinck Foundation would like to announce its Annual Fundraising Campaign, in support of Massawippi Retirement Communities' retirement home at Grace Village. 2018 has continued to be an exciting year for the Foundation and for Grace Village in its new, state-of-the-art Care Pavilion. Several fundraising events were held this year, including our 2nd Annual Grace Village Golf Tournament, and a Royal Wedding-themed Murder Mystery Dinner Theatre, and some upcoming events include a 1000 Apple Pie Fundraiser, and a Scott Woods "Old Time Christmas" Concert.

This year, the Dr. W. J. Klinck Foundation is announcing the creation of 3 specific Funds where donors can direct their gifts. The 3 Funds are:

- The *Grace Village Advancement Fund*, which goes towards the Capital Campaign and paying for the new Care Pavilion, and down the road will contribute to the launch of construction projects like more bungalows for independent living, and apartments for assisted living;
- The *Grace Village Better Living Fund*, which goes towards special projects like our Gardens, our Exercise Room, and new décor and furniture for our Memory Care Wing, and finally;
- The *Dr. Klinck Fund*, which continues the original vision of Dr. W. J. Klinck 6 decades ago: supporting seniors who require the care that Grace Village can provide, but whose financial situation might make such care inaccessible (again, as funds permit and within updated guidelines).

There are many ways to make donations to the Dr. W. J. Klinck Foundation. Donors can easily send cash or a cheque, or can make a one-time donation by credit or debit online at www.gracevillage.ca/donations. Another option is to donate by credit or debit on a monthly basis by filling in a Pre-Authorized Remittance (PAR) form – this can be printed from the Grace Village website, or picked up at the Foundation Office at Grace Village.

"We truly appreciate the generous donors who have continued to support Grace Village through the Dr. W. J. Klinck Foundation," says David Price, President. "By organizing donations through these newly created Funds, we are confident we will be able to see more clearly the incredible difference their gifts are making in the lives of the seniors of our community."
